

MHACY Residents Say Farewell to Summer, Prepare for Back to School

MHACY residents were not going to allow summer to slip away without a final celebration. At Martinelli Manor, residents held a Summer Soiree with food, dancing and trivia games.

At Hall Homes children were getting ready to go back to school. Dozens of new backpacks were provided during a back-to-school drive thanks to the Family Services Society of Yonkers, the Westchester Jewish Community Services, and City Council President Lakisha Collins Bellamy.
